Yea, sons and daughters, My sisters, My brothers hear Me this day. I love you and I give you Me and I impart to you Me, I impart to you My body, My blood, My body and blood of which you are.

2. Can you **see Me**?

I love you and **My photons I give you now**. Unto Me see, **be My receiving agent, yea; from Me, to, through, each other. I love you and there is no separation**. There is one, one see, one be.

3. There is cataclysmic accord and cataclysmic disaccord. One stutters and fails, and one moves to new heights in Me. Cataclysmic all is, see what all must go through.

4. Yea, ready, prepared **you are making many to see Me, behold Me, to be Me, My fullness**, My light radiantly shining forth, coming forth; yea, **piercing the darkness, where nothing is, where much is, and nothing can withstand My light, My life**, My power, My grace, My glory. All you seek is Me, My face, My touch, My hand upon your brow and you now know, and knowing more you will, the fullness of the intimacy that I offer; intimacy I offer to all; My design, **My original intent** which you continue to quest after to know and know fully.

6. I love you and I give you Me. I give you My answers, My time, My talent, My skills, My hugs, My kisses, My body, My joy, My laughter, My friends, My encouragement, My dowry all. **All that I am, all that I have, all of the words My Father gave Me are yours**. Freely give; freely you have received; free, give, price paid, death and resurrection, joy and laughter, Me/we, overcoming all, nothing stands in our way.

7. Thou art holy for I am holy, I am holy for He is holy, My Father and I are one, you and My Father are one, you and I are one; yea, Trinity see, one be, one-ing My family you are in joy and laughter, resources abundant: creating, the work of My hand flowing through you; yea, yes, the mind of our Father, the glorious-ness, the glory, the presence see of his gifts, the work is already done.

All that I am, all that I have you have, you are.

I give you Me, My globes see, restraints none.

Flying now we do into molecular substrata, into and over super formations of only Me.

9. My New Covenant covers all and repletes all requests after Me, into Me, **receiving the fullness of Me, Psalm 110.** I love you.

There is no hesitation that will propel you into My fullness.

Door is open.

People call.

People come.

There is no other, I am one. **They come as Me, seeking Me, being Me, developing, nurturing, maturing; yea, Me in each other, My body, one.** Great honor, great respect, value systems of only Me. Integrity unparalleled, commercialization of My wisdom not; yea, love conquering all. Into every vocation, see Me giving My all to every single one, every single one, every single one who comes; every staff member, every nurturer, every revealer, every lifter, every translator, every vocationizer, every globalizer see Me in them and My name on their forehead. I love you; there is no lack in My body.

10. Create, create, create within Me. Create with Me. Create with each other and bring forth the concepts commercial, revenue streams; yea, in every sector: factor Me, factor Me, complex polynomials of only Me. Watch Me. See into Me, receive Me and speak what I give you of every genre and technical natures beyond, superceding, unrevealed not, all open, not unspoken, combined, coordinated, coagulated into Me, through Me, My words, My family, My New Covenanters (1). Yea, My menservants and maidservants (2), My who will fill My earth with My word (3); yea, in a roar, the voice of many waters coming forth (4) in one accord, one accord being, one accord seeing, one accord seeking. One accord, one, the first, the last; and yea, no other is.

11. Watch Me blow the minds of those who think so little, thinking they have Me figured out and that My words stopped long ago. Blown to smithereens the smothering philosophies, the demeaning constraints placed upon My creators, My gods (5) of creation, yea, to create with Me, to rule and reign and enjoy Me and Me them.

12. **Let Me see, let Me see you more and have your way with Me.** I trust you and I give you more. I love you; all comes, all is well, matures and manifests in Me. I glory give you; My glory be, to be to Me, My family all.

13. My land is yours, all is in your hand, the readiness readies.

14. Go with them, they are at your door. Be not afraid of where I take you and who and how I present you to My body, My earth, My realms beyond: time and space independent, dependent only upon Me, My word, the word of My mouth.

I am God, I am love, I am light; I shift not, I shift all things.

All inverts, watch Me.

The word of My mouth: yours.

My hands/your hands.

My mouth/your mouth.

My body/your body.

My body broken for you.

Your body broken for Me and now being passed around, just as you asked, to all of My people: every nation, tribe and tongue; without reserve, without restraint, without reserve, no hesitation, no favorites. I come to all; I give you Me.

15. I give them you as you take them, as you love them, as you give them My words, as you heal them, annihilate evil; and die, overcoming death, resurrection replete. I give you Me and many follow our footsteps, our hearts, our love, our Father's joy.

16. Well done, heard and hearing; yea, The Mighty Many. There is one, I am one, we are one, one in the spirit, one in flesh, one blood, one family, one accord; yea, one plan; yea. Amen. So be it.

17. Publish and banner, reticent be never. I love you; I love you. Thank you; I love you. Baring My all to the world I did, you do, thank you. Transparent you are, transparent be, being Me, Me-ing all who will let you, all who will receive the fullness through childlikeness of Me. Thank you. Amen.
